

**S4: Articles screened at the full text level**  
**Systematic Review of Community-based Condom Distribution Interventions in the US:**  
**UCSF CAPE Project**

## **Contents**

Included: Community-based condom distribution intervention (k=9) .....	1
Included: Limited condom distribution intervention (k=7).....	2
Included: School-based condom distribution intervention (k=6) .....	2
Excluded: Intervention other than condom distribution (k=148).....	4
Excluded: Condom distribution not integral to the intervention (k=38) .....	15
Excluded: Multi-faceted CDI but outcome data not stratified (k=8).....	18
Excluded: Outcomes of interest not reported (k=12) .....	19
Excluded: Insufficient quantitative information (k=2) .....	19
Excluded: Other reasons (e.g., reviews, non-US studies) (k=39) .....	20

### **Included: Community-based condom distribution intervention (k=9)**
